Dear Kathy,

I would like to thank you and the Mission of Love for your quick response to our conversation about the lack of warm clothing for the disadvantaged men and women of Youngstown, Ohio Northside. It was only days after we talked that we were putting together the duffel bags of shirts, socks, gloves, outerwear, blankets and boots to distribute to the homeless.

As a volunteer at the Dorothy Day House of Hospitality I observed guests coming to our free dinners wearing ripped tennis shoes, light jackets and without gloves or hats to protect them from the cold and blustery January weather. With your generous help and donation we were able to assist fifty people. Every time I'm at the Dorothy Day House I am reminded by the men and women I see what a difference your simple act of kindness had made in their lives.

It is wonderful that the Mission of Love's gift of compassion not only reaches around the world but also embraces people right here in our valley.

Sincerely,

Cathy Crawford
