

Mission of Love Warehouse Trip

The youth trip to the Mission of Love warehouse in Ravenna, Ohio on July 14 was a success. Five adults and four youth from our church worked on several needed jobs to make the next emergency trip go more smoothly. We delivered the donated shoes that were collected during our "Barefoot Sunday". Along with those 250 pairs of shoes, we packed and sorted clothes for delivery to Guatemala and to Pine Ridge Reservation in South Dakota. We also unloaded a 40-foot semi-trailer full of student desks donated from Austintown middle school. We then stacked over 600 desks on pallets for shipment to Mission of Love schools in impoverished areas of Guatemala and Peru. It was a satisfying end to a hard day's work to view all the pallets of clothes, shoes and desks ready for shipment.
